THE ASSOCIATION SOURCE PRESIDENT APPOINTED TO ASAE'S ASSOCIATION MANAGEMENT COMPANY (AMC) SECTION COUNCIL

BOCA RATON, FL, June 21, 2011 – The Association Source, LLC, a full-service Association Management Company (AMC), announced today that its president, Jody Rosen Atkins, APR, has been appointed to the American Society of Association Executive's (ASAE) AMC Section Council. During her term on the Council, Atkins will work to help further the mission of ASAE, complete the fiscal year 2012 work plan, and identify future needs of ASAE and its members.

The AMC Section Council is charged with assisting ASAE in providing programs, services, and information that help emerging AMC owners and staffs address the unique association management and business challenges faced by an AMC. Council members are selected based on their experience and leadership as AMC executives. Each member is appointed to a one-year term and may be re-appointed for a total of three consecutive years.

"I am very excited to engage in this new endeavor," said Atkins. "As the owner of a successful AMC for more than a decade, I am really looking forward to putting my knowledge and experiences into helping other firms."

About The Association Source, LLC (www.associationsource.com)

In business since 1999 and a member of the AMC Institute, The Association Source is a full-service association management firm headquartered in Boca Raton, Florida. It is staffed with skilled professionals who provide expert, cost-effective management and administrative support to volunteer-driven organizations. The Association Source offers all of the benefits of a full-time staff, without the costs of office space, furniture, equipment, or employee salaries and benefits. It specializes in membership management, meeting/conference/tradeshows management, financial management, continuing education programming, marketing, and web services for not-for-profit organizations.
